## Important Info:

Students who start at the beginning of the year are registered for 34 weeks of private instruction. Students may add additional lessons if time and schedules allow. Students who begin after the first week of school will be registered for the maximum number of lessons possible between the start date and June 11th, allowing time for teacher cancellations and inclement weather.

Lessons that are cancelled due to inclement weather or teacher absence can be made up any date before June 11th, the last day of the 2025-2026 school year.
